

Believe it, Achieve it!

NBC'S 2021 IN REVIEW

54 NEW APPRENTICESHIP STARTS

Despite the challenges of 2021, NBC signed up 54 new Learners on a variety of Apprenticeships including;

- Customer Service Practitioner,
- Customer Service Specialist,
- Business Administrator, Team Leading and Operational Management!

18 NEW EMPLOYERS

NBC formed strong relationships with 18 new Employers throughout West and South Yorkshire. These include companies from a variety of sectors; Sustainability, Manufacturing, Legal, NHS, Finance and Automotive.

NEW WEBSITE LAUNCH

In April 2021, it was time for a revamp of our website!

The new version allows us to keep the website more up to date with current vacancies and our latest news.

20 END POINT ASSESSMENTS UNDERTAKEN

Much to our delight, this year we have had a 95% Distinction rate on End Point Assessments sat by our Learners.

We thank them for all their hard work!

CHARITY WORK

In May 2021 Keely, Liz, Lucy and Sophie raised a whopping £821 for Yorkshire Cancer Research by walking over 100 miles each throughout the month! A big well done ladies!

For this year's Christmas Campaign, we set out to donate 100 selection boxes to The Welcome Centre. The Welcome Centre are a charity who help local families and individuals in crisis with food, toiletries, and other essential items. Also providing critical advice, guidance, and support.

With the help of our fantastic Employers, we managed to donate 150 selection boxes, 64 colouring books, 20 boxes of biscuits, nappies, toiletries, over £300 worth of toys as well as cash donations!

Thank you to everyone involved!
